reprint of the original first published in 1872 the publishing house anatiposi publishes historical books as reprints due to their age these books may have missing pages or inferior quality our aim is to preserve these books and make them available to the public so that they do not get lost

excerpt from a history of the massachusetts general hospital of the medical college the scene of a late fearful tragedy and in the background beyond the river the hill is crowned by the asylum a peaceful retreat standing forth from amid the foliage and shrubbery by which it is sheltered and secluded i have been permitted by the trustees to use a separate engraving of the asylum which has for several years belonged to the corporation the likeness of dr james jackson was also executed for this publication from a daguerreotype of which it is a very accurate copy though the happiest expression has not been secured the engraving of dr warren is from an existing plate which he kindly placed at my disposal after the volume was in the press i learned for the first time that my friend and co trustee george m dexter esq had already prepared at great labor and expense large and elegant engravings of the interior and exterior of the hospital which at a future day he intended to publish with some description of the establishment historical as well as architectural of all these engravings he with great liberality offered me the free use this courtesy however i felt that i ought not to accept his

intended publication he will as is hoped yet complete its design is truly magnificent and will not be superseded by the present compilation if indeed that shall be regarded as letter press worthy of accompanying his architectural illustrations i may well be satisfied about the publisher forgotten books publishes hundreds of thousands of rare and classic books find more at forgottenbooks.com this book is a reproduction of an important historical work forgotten books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy in rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition we do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

hardcover reprint of the original 1851 edition beautifully bound in brown cloth covers featuring titles stamped in gold 8vo 6x9 no adjustments have been made to the original text giving readers the full antiquarian experience for quality purposes all text and images are printed as black and white this item is printed on demand book information bowditch n i nathaniel ingersoll a history of the massachusetts general hospital indiana repressed publishing llc 2012 original publishing bowditch n i nathaniel ingersoll a history of the massachusetts general hospital boston printed by j wilson son 1851 subject massachusetts general hospital

this book presents an in depth guide to transcatheter arterialization of the deep veins tadv tadv or deep venous arterialization dva is an emerging technological and clinical solution for patients with peripheral artery disease who have no options for limb salvage based on conventional vascular techniques it serves to salvage limbs in patients who would otherwise be amputated for tadv to be successful in preventing amputation patient selection pre procedure imaging technical expertise and post operative wound management must be optimized the book takes a step by step approach to tadv to guide the clinical team through the patient journey from meeting a potential candidate for tadv through to saving the leg chapters provide a reference for patient selection procedural steps and post operative wound care management this is an ideal guide for vascular surgeons interventional radiologists interventional cardiologists trainees and all medical professionals caring for patients with severe peripheral artery disease potentially facing amputation
